## Doug Foote

Douglas Foote had a special positive spark about him and from the time he set foot in Mayville as a new teacher, he was involved in athletics. When they needed a coach or referee he volunteered his services. He spent his younger years officiating football and basketball games. Eventually, as a Middle School Principal and having a passion to further girls' athletics he stepped up and coached Jr. High girls track and Jr. High girls Basketball and continued to be a starter at Cross Country and Track events. He was a positive mentor and motivator for many young students. Although he held varsity positions in basketball, baseball, and volleyball, Gary is most remembered for his work at the junior high level. He was the very first coach for many of Mayville's students and passed on his love of athletics and competition to all team members. His booming, confident voice will be remembered by athletes, parents, fans, and staff members. They had six children (Kim, Jeff, Scott, Pat, Jennifer, and Ryan) who all attended MHS and participated in athletics. The love of watching her children participate in sports lead to Rosie's big involvement in the athletic program. Soon after her husband passed away in 1992, Rosie began to help at athletic events. Taking tickets soon turned into keeping score books and running the clock at both junior high and high school games. Many days Rosie would drive from her job in Frankenmuth, straight to the school and her dinner came from the concession stand. Rosie was calm, confident, and most of all dependable.
